

STATE

Wide Dinner Given By Citizens' Committee Of Y. M. C. A.

At The Southern Hotel, Columbus, Friday Night

And Presided Over By Gov. Harmon As Toastmaster

A Number Of Instructive Addresses Were Given

Local Association Represented By Five Members

The most conspicuous event perhaps ever held in the interest of the extension work of the Young Men's Christian Associations of Ohio was the governor's banquet held at the Great Southern Hotel, in Columbus on Friday evening.

The purpose of the gathering was to discuss the activity and operations of the state committee and to launch a two weeks' campaign for raising funds with which to finance the work of the committee. The state committee of the Ohio Associations is the agency of the Federated associations of the state and is simply that agency called into the field to look after the extension of the Young Men's Christian Association in to new fields of activity, new localities, the student work, cooperating with associations that have met reverses and in brief is that body any association in the state can call upon in the hour of need to that need to keep the work from going to the wall or to promote and extend the work into larger and better lines of activity. This body has no power save that which is given by the local associations in convention.

Following a magnificent dinner served in the splendid dining room of the hotel, Mr. Foster Copeland, vice president of the state committee presented Governor Harmon as toastmaster. The governor received a hearty greeting and in a very happy manner presided during the speaking of the evening. The endorsement of the associations' work received at the hands of the governor and all the speakers was a very unusual character. Pres. W. O. Thompson of Ohio state, spoke of the efficiency of the association, Mr. A. L. Garford of Ellyria forcefully urged that the Y. M. C. A. is wanted in industrial communities.

State Secretary A. G. Bookwalter vividly showed that there are untold splendid opportunities for the further development of the work in the state of Ohio. At this juncture, Robert E. Lewis, secretary for the Cleveland associations, spoke of the needs of the state association and outlined a plan for raising \$125,000, with which to pay off a large indebtedness of the committee, to purchase Camp Bud for the boys of the state, to take care of current expenses for two years and to handsomely endow the committee for their growing work. Mr. W. L. Tobey, a prominent newspaper man of Hamilton, spoke of the great progress already made on this campaign and announced that there is at the present time, from private and association gifts \$20,000 and more, as a starter toward the amount determined upon.

Perhaps one of the best addresses of the evening was that made by Mr. Chas. E. Adams of Cleveland, addressing himself to the topic, "A Big Opportunity, Worth Doing." He told how he believed this to be a great opportunity and that the men of the great state would do the task assigned to them.

There were about 300 men from all parts of the state present, the following being there from Mt. Vernon: Messrs. Williams, Ackerman, Parr, Kelsner, Colville, McConnell and Jensen.

PHI SIGS

Of Coshocton Getting Ready For Local Boys

(Coshocton Age)

The Phi Sigma Chi football team is holding signal practice nearly every night after supper, in preparation for the big game with the Mt. Vernon chapter of the fraternity to be held here the morning of Thanksgiving day. Capt. Williams has not placed the players in position and will not probably do so until the middle of next week when the positions will be assigned.

The Mt. Vernon team according to letters received here are playing hard and fast and have already played several scrimmage games with scrub teams in Mt. Vernon. The Mt. Vernon team averages in weight about the same as Coshocton and the two will be about evenly matched so that a warm game is assured.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

A Grand Rout.

It is not always the largest foe who can make the greatest disturbance and cause the most confusion. In his "Hunting Grounds of the Great West" Richard Irving Dodge tells of a little incident of the Mexican war which proves that it is quality, not quantity, which is most effective.

While General Taylor's little army was marching from Corpus Christi to Matamoros a soldier of the flank of the column fired at a bull. The animal charged, and the soldier, taking to his heels, ran into the column. The bull, undaunted by the number of the enemy, followed him headlong, scattering several regiments like chaff, and finally escaped unhurt, having demoralized and put to flight an army which a few days after covered itself with glory by victoriously encountering five times its number of human enemies.

"For twenty-nine years I have been at intervals a great sufferer from rheumatism. During that time, no telling how many gallons of the various kinds of liniments and oils I have used and with but little relief. Recently, I was confined to my bed helpless. I tried Sloan's Liniment

and used it with such satisfactory results that I sent for two large bottles, and I have up to this time used about half a 50 cent bottle with splendid success."—JAMES HYDE, Beebe, White County, Ark.

FINE LECTURE

Delivered By Albert Edward Wiggam On Friday Evening

One of the most entertaining lectures delivered in Mt. Vernon for some time was that by Albert Edward Wiggam in the Mulberry Street M. P. church Friday evening as the second number on the DeKoven Concert Course. Mr. Wiggam was greeted by a large audience. The subject of his lecture was "Forty Kinds of Fools," and his brilliant use of language and rich oratorical powers delighted all. His lecture not only afforded much laughter, but left an impression that will remain long in the minds of his hearers.

Mr. G. H. Stimmell of this city, went to Chicago on Friday to attend to some business matters.

Miss Coreta Smithhiser of this city went to Zanesville Saturday morning to make several days' visit with her sister, Mrs. J. B. Chevallard.

Mrs. A. J. McClelland left Saturday noon for her home in Zanesville after spending several days in Mt. Vernon, the guest of her brother, Mr. H. E. Connor of East Gambler street.
